

Hello Beautiful,

Congratulations on saying YES to yourself and CHOOSING to take this next step in your personal and professional development! It's a pleasure to welcome you and to be a part of your journey of sharing your gifts in the world and getting paid for doing what you love.

A lot can come up for you as you start and grow your coaching business and step into greater leadership and visibility. Stepping outside of your comfort zone can bring up feelings of self-doubt and fears that you didn't know were there. You may also discover a newfound sense of strength and confidence.

As much transformation as you desire is available to you. Make time, show up, do the work, support one another, ask for help. Rinse and Repeat. You may experience ups and downs, bumping up against change. Know that it's part of the process. Keep your end goal in mind.

The ***Client Creation Program*** runs from Thursday October 13, 2016 to Thursday, December 15th, 2016 4-6pm PST via Zoom videoconference. The access details will be sent to you by email to remind you of the call each week. You can either call in by phone or come on video. I recommend video so we can see you.

You will receive your weekly lesson and materials on Mondays. I recommend carving out a time to go through the materials. The work will be delivered both by email and filed in our private Facebook group. Bring any questions you have to our call for laser coaching.
