

Week 1: Setting the Stage For Success

1. What does success mean to you in life and in your coaching business?
2. Is this your vision of success or what you think you are supposed to achieve?
3. What will you have to do and who will you have to be in order to have what you want?

4. How do you feel about putting in the time, energy, money, work, to have what you say you want?

5. What beliefs and thoughts to you have around people paying you money to get your coaching, counsel or advice?

6. What habits and thinking patterns do you have that will guarantee your success?

7. What habits and thinking patterns do you have might sabotage your success.

8. What will you do to prevent that?

9. What success book have you chosen to be your companion during our 8 weeks?

10. What would you be doing differently {acting, being, doing, experiencing. speaking} if you achieved the level of success you see yourself achieving?
