“Since working with Kadidja things will never be the same. I found a freedom and clarity that I am special and that I have something to give. I don’t have to worry about those things that were holding me down. My world opened up and the fear dissipated.”

– **Cassandra Lewis,**
Investment Banker /
Yoga Instructor

Bio

A speaker, coach, & consultant for nearly two decades, Kadidja received her B.A in Women Studies at UC Berkeley. She has been passionate and dedicated her life and work to supporting women to recognize their brilliance and deliver their unique contribution.

She’s worked with dozens of companies like Visa, Charles Schwab, Clorox, Robert Half, College of Alameda, and Fem Talks to name a few.

She led and organized hundreds of women's groups, programs, seminars, and classes to support women in owning their value, charging their worth and doing what they love. Her signature program is *The Client Creation Program - 8 Weeks to Mastering the Art of Getting Clients*.

Additionally, Kadidja has created hundreds of online videos on the topics of women’s business, empowerment, and leadership - with tens of thousand of views on youtube and facebook.
